Biofilmography  
Fellipe Fernandes is a journalist with a masters in communications, born on May 16th, 1988 in Recife (Brazil). Over the past eight years he worked as assistant director to filmmakers such as Kleber Mendonça Filho, Paulo Caldas, Pedro Severien and Daniel Bandeira. In his dissertation, he studied the construction of the spatial experience in film. Delusion Is Redemption to Those in Distress (2016) is his first work as director and screenwriter.
